Mail Stop AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the final Office Action mailed on October 20, 2005, Applicant filed an amendment on December 20, 2005. This response was therefore mailed within the two month period following mailing of the Final Office Action. Applicant has not received an Advisory Action. Applicant's representative spoke with Examiner Minnifield today by phone regarding the status of the amendment and was informed that finality has been withdrawn and that a new non-final Office Action with different rejections is being set forth. The Examiner indicated that these actions would be "counted" today and that as a result of these actions the case will still be alive without any further action on the part of Applicant. The Examiner also indicated that a Telephone Interview Summary would be faxed to the representative's attention today.

Dated: April 20, 2006

Respectfully Submitted,
